

Founded by Chrysalis Center, Inc., Foodshare and The Junior League of Hartford, Inc.

We're opening our doors: July 2010 Let's stock the pantry!

Freshplace is an innovative, client-choice food pantry serving fresh produce, meat, dairy and other food staples to those in need in Hartford's Upper Albany neighborhood. Freshplace will go beyond providing access to healthy food, by addressing the root causes of hunger and poverty. Clients and trained staff will work together to identify needs and develop a FreshStart Service Plan, with links to assistance programs, nutritional counseling and educational services. In addition, Freshplace will serve as a site for research, documenting and identifying ways in which food pantries can increase long term food security, promote self-sufficiency and improve health outcomes.
